PROFESSIONAL SUMMARY

Full Stack Developer with hands-on experience building and deploying web applications using React, FastAPI, MongoDB, and MySQL. Experienced in designing responsive user interfaces, integrating REST APIs, implementing authentication systems, and automating business workflows through real-world internship projects. Passionate about creating scalable and user-friendly applications with a strong foundation in frontend and backend development. Seeking opportunities as a Software Engineer or Python Full Stack Developer.

TECHNICAL SKILLS

Programming Languages: Python, C, C++, JavaScript

Frontend: React.js, HTML5, CSS3, Tailwind CSS, Material UI, Bootstrap, Responsive UI Design

Backend & APIs: FastAPI, REST API Integration, JWT Authentication, PDF Generation, Email Automation

Databases: MySQL, MongoDB

Tools & Platforms: Git, GitHub, Docker (basics), Aws (basics), VS Code, Postman

CS Fundamentals: Data Structures & Algorithms, DBMS, OOP, Computer Networks

WORK EXPERIENCE

Full Stack Developer Intern — Pictuscode Pvt. Ltd., Walajpet, Vellore *May – July 2025, Dec 2025 – Apr 2026*

- Developed and deployed full-stack web applications using React.js, Tailwind CSS, and FastAPI, serving real users in production environments.
- Designed dynamic forms, file upload modules, and responsive UI components, improving data entry efficiency across departments.
- Integrated RESTful backend APIs; built automated PDF generation and email notification workflows, reducing manual effort by ~40%.
- Enhanced UX through smooth CSS animations, receiving formal appreciation from management for key contributions.

Web Development Intern — Exafluence, Tirupati

Jan 2023 – Jun 2023

- Developed responsive web pages using HTML, CSS, and JavaScript.
- Gained practical exposure to frontend development workflows, UI design principles, and version control practices.
- Learned Docker fundamentals and containerization concepts used in modern software development.

PROJECTS

Student Internship Management System (SIMS) | *React.js, Tailwind CSS, FastAPI, MongoDB* | Live: sims.netlify.app

- Built a full-stack internship management application to streamline student applications, approval workflows, and internship notifications.
- Implemented JWT authentication, role-based access control, document uploads, and automated email notifications using FastAPI and MongoDB.
- Developed responsive user interfaces using React and Tailwind CSS and Material UI and integrated REST APIs for seamless data management.

Advanced ToDoPro Platform | *React.js, Tailwind CSS* | Live: app-todopro.netlify.app

- Developed a full-stack task management application with task creation, updates, priority management, and reminders.
- Implemented protected routes, authentication workflows, and responsive UI components using React and Tailwind CSS.
- Utilized React Hooks and state management techniques to deliver a smooth and interactive user experience.

EDUCATION

B.Tech in Computer Science & Engineering | CGPA: 8.53/10

Aug 2023 – Apr 2026

JNTUA College of Engineering, Anantapur, Andhra Pradesh

Diploma in Computer Engineering | 88%

Aug 2020 – Jun 2023

Government Polytechnic, Pillaripattu, Andhra Pradesh

CERTIFICATIONS

- Cloud Computing — NPTEL (IIT Madras), Jan–Apr 2025 | Score: 76/100 | 12 weeks
- Summer Internship Certificate — Pictuscode Pvt. Ltd., May–Jul 2025 | Real-time Web Applications
- Internship Certificate — Exafluence, Tirupati, Jan–Jun 2023 | Web Development & Docker

ACHIEVEMENTS

- Internship Recognition: Awarded formal appreciation by Pictuscode Pvt. Ltd. for outstanding contributions to real-time web applications.
- Academic Excellence Award: Recognized for exceptional academic performance during Diploma studies.
- Designed and developed a personal portfolio website showcasing projects, technical skills, and full-stack development experience.
